

# **Blessing Others All The Time, Inc. BOATT**

## **May Newsletter**

As the Executive Director of Blessing Others All The Time, my heart is filled with gratitude as I reflect on the many blessings we experienced throughout the month of May. During our Mother's Day outreach, we were honored to bless over 100 mothers with love, encouragement, and thoughtful gifts that reminded them they are seen, appreciated, and valued.

A special thank you goes out to every person and organization who donated purses filled with so much love for our Mother's Day project. Your generosity brought smiles, encouragement, and hope to so many deserving women.

Because of the continued support of our community partners, and donors, we were also able to assist four families with groceries and provide veterans with bus passes to help meet essential transportation needs. We are truly grateful for how the Lord continues to bless us so that we may be a blessing to others.

This month also brought another exciting opportunity as we received an additional grant to support our upcoming Thanksgiving Drive Up initiative. We are thankful for every organization, group, and individual, who continues to believe in the mission of Blessing Others All The Time and supports the work we do throughout the community.

I was also honored and blessed to receive "Women Veteran Who Rock" award from Women Veterans Ignited. I don't take this for granted and I am grateful for all that God has blessed me to do as I do what He has called me to do which is being a blessing to others.

As we move into June, we invite you to continue spreading love and kindness by partnering with us for our Father's Day outreach as we prepare to honor and serve fathers in our community.

With Gratitude,  
Sheila Brown-Jefferson

# Highlight of the Month

## Mother's Day Outreach

As we enter June, BOATT is excited to continue serving our community and celebrating important milestones. On June 6th, we will proudly celebrate 14 years of service as an all-volunteer nonprofit organization, reflecting on God's faithfulness and the many lives impacted through our mission.

On June 20th, BOATT will host our Father's Day Community Outreach, where we will distribute backpacks filled with personal care items to men in our community as a way to honor and support fathers and men who may need encouragement. We are also honored to participate in the Better Together Family Fun Day Tabling Event at St. Thomas Missionary Baptist Church on June 27th, where we will connect with families and share information about BOATT's programs and community resources.

We are grateful for every opportunity to serve and remain committed to being a blessing to others all the time.

We invite you to visit our website [www.boatt.online](http://www.boatt.online) or visit our social media pages. Thanks to everyone who continues to support us as we continue to be a resource for those in need.

Thanks for "Getting on the BOATT"
